

## Career Services

The objective of Workplace Hollywood's Career Services is to educate and assist candidates seeking employment in the entertainment and media industries. We have designed a Career Development Program that consists of workshops and training seminars specifically designed to address the qualifications and requirements of our employers.

The Career Development Program will assist and help you take control and expand your job search by providing the following services:

1.  
Career  
Services Workshops

Orientation and assessment

Resume and Cover letter writing for the industry

Job Search and Networking Techniques

Interviewing and Negotiating Skills

## WH Job Readiness Certification

2.  
Job  
Listings

3.  
WH  
Job Search Management Tools

4.  
Resume  
posting

5.  
Weekly  
support groups

Please register if you meet any of the following criteria:

- Not currently working in the entertainment or media industry
  
- Less than 5 years experience in the industry.
  
- Recently downsized or unemployed from any industry.
  
- California and/or Los Angeles resident.
  
- At least 18 years of age.
  
- High School or College graduate.
  
- Must be able to attend weekly 2 hour workshops and complete Job Readiness Certification.

Workplace Hollywood is looking forward to assisting you in finding employment in the Entertainment and Media industry. However, you must first register to complete the application process, post your resume and attend a Career Services orientation.

Once you have completed your registration, you will be invited to a Career Strategy Workshop.
